PHS Job 2196

A friendly family are searching for a professional and energetic housekeeper to work in an informal Jewish household in South Hampstead, London.

The permanent residents of the family home are 2 principals and their adult daughter. The family all work from home and are visited by their adult son on two days of the week. The family are looking to employ a professional domestic housekeeper who is reliable and is looking for long term employment. Experience working with Jewish families is highly welcomed as you will be asked to help with light Kosher cooking such chopping, peeling, washing etc...

Due to the size of the residence and the property having 4 floors, we are looking for an energetic domestic housekeeper, who has a keen eye for detail and who has the common sense to deal with any task using their own initiative. Light gardening will be required as there is a very small town garden at the end of the property.

The family will only accept applicants who love dogs as there are two medium-sized dogs in the household and dog care will be required.

The domestic housekeeper will be expected to work 5 days per week, 8 hours per day.

There are 5 bedrooms (but only 2 are used permanently) and 7 bathrooms (only 4 are used permanently).
