

**FULL-TIME LIVE-OUT NANNY/HOUSEKEEPER JOB
NANNY/HOUSEKEEPER I NOTTING HILL, LONDON
Salary: 52 000 GBP Gross per year**

PHS Jobs 2332

Our new clients, a family of two principals and their two children aged 1 and 3 years old, are looking for a professional live-out nanny/housekeeper who takes pride in their profession and enjoys bringing up children. The parents would prefer a person with a background in child care, especially in looking after babies and young children, as well as prior private work experience.

The duties will include taking care of the children along with housekeeping and cooking for the children. Mother of the children is very hands on and around most of the day, but a full-time nanny/housekeeper could also be asked to occasional sole charge, when mother is out.

We are searching for someone who will be able to keep the children's routine and house in order. The baby has naps twice a day and will be starting Nursery a few mornings a week in September, and toddler has a nap once a day before he goes to Nursery. There is occasional help will be required at dinner and bath time.

Another housekeeper is currently employed by the family who will help with the housework throughout the day. Therefore, the children care duties including cooking are priority and some housework supported by the housekeeper.

The ideal candidate is expected to be very efficient and organized with the household, as well as kind and gentle with the children whilst offering firm boundaries. We are looking for someone that the kids enjoy being around and can also have fun with. The full-time nanny/housekeeper must be able to multi-task and happy to muck in to get whatever job done to keep the house to a high standard of organisation/ cleanliness and tidiness.

There are 5 bedrooms, 4 bathrooms, a library, a living room, and a kitchen in the five storey house. There is one small dog and a cat in the house, therefore the candidate should be pet friendly.
