Salary: 40 000 – 48 000 GBP Gross / Year**

PHS Jobs 2358

Our new clients, a family comprising two principals and their three lovely children (aged 6, 4, and nearly 2), are located in Pimlico, London. They are currently seeking a professional, child-friendly live-out housekeeper to join their household on a full-time basis.

Both parents work full-time, and they currently have a dedicated full-time nanny who has been with the family for 2 years. The new housekeeper will work alongside the nanny to ensure the smooth daily operation of the household.

The eldest child is currently attending full-time school, and the second child will also begin full-time school in September. Therefore, the new housekeeper will be responsible for collecting the second child from her new school in the nearby area of South Kensington, while the nanny picks up the eldest child. Starting from October, the youngest child will be attending nursery school during the mornings.

The housekeeper will be expected to be proficient in preparing healthy and nutritious meals for the children, as well as for the parents upon their return from work. Any additional cooking assistance during weekends would be considered a bonus.

We are seeking a diligent, experienced individual who will contribute to maintaining a clean and organized household. The primary responsibilities will involve meticulous housekeeping, cleaning, laundry duties, and cooking. The house comprises 5 floors with 5 bedrooms, 3 living rooms, and a kitchen.

Previous experience in a private household, longevity in career, and excellent references are prerequisites for this role. We are looking for a candidate who is very energetic, polite, flexible, hardworking, reliable, trustworthy and loyal, and able to meet the employer's expectations.
