

TEMPORARY BUTLER JOB 2418
PRIVATE BUTLER JOBS | PURFLEET | ESSEX
SALARY: 250.00 - 300.00 GBP

Perfect Household Staff are working with Interstellar in helping them with “Battle In The Box” for Dave. We have an exiting opportunity for a professional butler who is not camera shy!

“Battle In The Box” is a comedy game show where two sets comedians spend 24 hours in 2 small empty rooms and battle each other for space and luxury prizes to furnish their living space or to make their time in the box more enjoyable.

The show will hosted by Jimmy Carr and will feature many well-known faces, Comedians and Celebrities alike.

The celebrities would go head-to-head to win a chance to select prizes, which could be anything from a bed and mattress to fun gadgets, to a hot tub or an experience/treat, such as a butler for 60 minutes. We are currently looking to source the butler prize which will encompass the help of a professional butler for 1 hour.

The studio will pay the butler day rate as well as travel, and we would also provide dinner for chosen professional.

They would only require the butler for around 4 hours 17:00 - 21:00 one day between 21/09/2023 - 24/09/2023 (tbc).

Position Type: Temporary, 1 Day
Salary: 250.00 GBP - 350.00 GBP
Working hours: 17:00 - 21:00
Working days: 1 day between 21/09/2023 - 24/09/2023 (TBC)
Location: Purfleet
Language: English

This would be an on-screen role, you wouldn't need to do much beforehand and it's quite a relaxed gig. But once a team wins this prize the butler would need to enter the box with the celebrity for 60 minutes, and tend to the celebrities needs. We I could not tell you exactly what they would request as this is a reality game show, so it will all be in the moment. For clarity this would not be a joke at the expense of the butler.

Requirements for a private butler job:

- 5 years of private butler experience
- Excellent contactable references
