PERMANENT HEAD HOUSEKEEPER JOBS | UK | CHESHIRE
SALARY: NEGOTIABLE

PHS Job 2589

Perfect Household Staff is seeking a highly skilled head housekeeper for our clients' residence in Cheshire. This live-in role offers spacious accommodation with a separate entrance within the employer's home. Cheshire, a county in north-west England, is known for its lush countryside, historic market towns, and grand stately homes. It features charming Tudor and Victorian architecture, with Chester's Roman walls and medieval cathedral as highlights. Cheshire's tranquil villages and expansive estates offer a serene escape from the nearby cities of Manchester and Liverpool.

We are looking for a professional with exceptional organisational and time management skills, who is respectful, polite, and experienced in working independently while maintaining high standards. The ideal applicant should be self-reliant, detail-oriented, and open to direction.

This Cheshire housekeeper vacancy will involve physically demanding tasks and therefore physically fit applicants are particularly wanted. While the principals are in residence and especially during the Christmas holidays, the position will demand the highest level of service.

As a professional head housekeeper, you will be responsible for a wide range of tasks to ensure the smooth running of the household. These tasks include overseeing all aspects of property maintenance, gardening, handling administrative duties and domestic repairs and running errands. More traditional tasks such as cleaning and responding to personal requests of the principals while maintaining careful attention to detail are a must have in this role.

We are especially seeking applicants who have the flexibility to accompany the family to the USA and EU on short notice and request.

Perfect Household Staff has been connecting professional head housekeepers with top domestic positions for over a decade. As one of the leading boutique Head Housekeeper agencies in the UK, we are well-equipped to help you find your next great opportunity. If you're interested in becoming a Head Housekeeper, you've come to the right place. We're here to assist you in finding an exceptional position in the field.
