

PERMANENT FULL TIME HOUSEKEEPER JOB
LIVE IN HOUSEKEEPER JOBS | PRIVATE VILLA | LAGLIO | LAKE COMO
Salary: NEGOTIABLE
PHS Job 2591

Perfect Household Staff is seeking a highly skilled private housekeeper for our clients' home in Laglio, Lake Como, Italy. Lake Como, located in Northern Italy's Lombardy region, is one of the most stunning and picturesque lakes in the world. It is renowned for its captivating natural beauty, charming villages, and elegant villas nestled among the surrounding mountains.

The family residence consists of the main home, a guest house, gym (private and to be used by the family and their guests only), garage (ground floor) and the housekeeper's 2-bedroom apartment situated just above. The gym, garage, and housekeeper's apartment are presently undergoing construction and are scheduled for completion in August 2024. The apartment will be delivered fully furnished, featuring a new kitchen, complete with all necessary appliances.

We are looking for a professional with exceptional organisational and time management skills, who is respectful and polite. As the principals predominantly reside in London throughout the year, we are looking for a professional who will work well without supervision. A minimum of 5 years of private housekeeper experience is required from all applicants who apply for this vacancy.

Due to the principals being English speakers, we are seeking a housekeeper with good English and fluent Italian (encompassing both verbal and written communication) with a flexible approach to their work. We are especially seeking applicants who will be available during the whole summer period as this is the time that the family and their guests are in residence.

As a professional head housekeeper, you will be responsible for a wide range of tasks to ensure the smooth running of the household. These tasks include performing household cleaning duties, managing laundry operations, efficient handling of household errands and tasks, helping with pets (the family have two small dachshunds), meal prep and service, taking deliveries, procurement management, implementing measures to enhance security awareness, attending to personal requests with meticulous attention to detail.
