PHS Job 2703

A distinguished private household in the affluent village of Bothwell, located just outside Glasgow, is seeking a full-time live-out housekeeper to manage all classical housekeeping duties in a large 2-floor residence featuring 7 bedrooms and 4 living areas.

The housekeeper will be responsible for the daily upkeep of the household, including cleaning, laundry, wardrobe management, and maintaining delicate surfaces. With the potential addition of marble and natural wood in the future, the housekeeper will also need to provide specialised care for these materials.

This position offers a candidate-friendly working environment with a flexible schedule of 40 hours per week over 5 days, allowing for variation between 07:00 a.m. and 09:00 p.m. based on the household's needs.

Paid annual leave is provided, ensuring a balanced and rewarding role.

The housekeeper will be required to drive for household errands, such as replenishing supplies and handling food shopping.

While full pet care is not required, some assistance with the family dog may be needed. Cooking will also be involved on certain evenings, though this will not be a regular responsibility.

The ideal candidate will be trustworthy, hardworking, and reliable, with extensive experience in housekeeping. The housekeeper will work independently alongside a gardener to ensure the smooth and efficient operation of the household. As this is not a formal household, no uniform is required.
