

**PERMANENT PART TIME HOUSEKEEPER JOB  
LIVE OUT HOUSEKEEPER JOB | WIMBLEDON VILLAGE | LONDON  
SALARY: 20.00+ GBP / Hour**

**PHS JOB 2912**

A wonderful opportunity has become available for a reliable, flexible, and proactive part-time Housekeeper to join a warm and welcoming household in the heart of Wimbledon Village, SW19. The principals are a professional couple with active lifestyles who travel frequently, and they are occasionally joined at weekends by their four adult children. The home is beautifully maintained and situated in one of London's most desirable residential neighbourhoods, celebrated for its boutique shops, leafy green spaces, and charming village atmosphere. The family also have a friendly golden Labrador retriever, so a pet-friendly nature is essential. The property is easily accessible via public transport, with Southfields and Wimbledon tube stations nearby, along with several convenient bus routes. For those who drive, on-site parking is available.

Working as a Housekeeper in a private household offers a structured yet varied role, focusing on maintaining the highest standards of cleanliness, organisation, and comfort for the principals. The property spans three floors, meaning the successful candidate will need to be able to manage a range of tasks across multiple levels. The position involves all general housekeeping duties such as dusting, vacuuming, laundry, ironing, and deep cleaning, as well as managing household supplies and liaising with external contractors when necessary. The Housekeeper will report to the House Manager and will be expected to communicate effectively via WhatsApp, so comfort with technology is essential. This role is ideal for someone who is intelligent, physically fit, and capable of managing their own schedule while taking initiative. Experience with delicate surfaces and materials would be an advantage.
