Perfect Household Staff is seeking a highly experienced and meticulous Housekeeper for a private family who will be relocating to a new residence in Bath, Somerset, in mid-July. This is an excellent long-term opportunity for a dedicated and professional individual to join a welcoming household and contribute to the smooth running of their new home.

The property is a four-floor residence featuring three bedrooms (one not in use), a study, a drawing/living room, a spacious kitchen with an extended dining area, and two bathrooms and one guest toilet. The role will involve classical housekeeping duties across all areas, with a strong focus on maintaining the highest standards of cleanliness and presentation throughout. The household currently comprises two adults and one child of 20 months, with the family expecting a second child in December.

The role is offered on a part-time basis, approximately ten hours per week, and can be arranged across two or three days (five hours per day or three shorter days), with total working hours adding up to roughly ten per week. The working hours are flexible, falling within the range of 9 a.m. to 6 p.m., and may include weekends, allowing the successful candidate to adapt their schedule to best suit the family's needs.

The ideal candidate will have an exceptional eye for detail and a proven ability to maintain an immaculate home. Experience with high-end finishes is essential, as the role includes caring for special materials and marble flooring that must be steam-cleaned and treated with precision. The successful candidate will also be responsible for basic wardrobe management, ensuring spaces remain orderly and well-presented.

A driving licence is advantageous for commuting to and from the property, although no driving duties for the family are required.
