

PERMANENT FULL-TIME LIVE-IN HOUSEKEEPER JOB LIVE IN FULL-TIME HOUSEKEEPER JOB | PETERBOROUGH | CAMBRIDGESHIRE

Salary: up to £45,000 annually gross

PHS Job 3012

Perfect Household Staff are delighted to present a superb opportunity for a professional live-in Housekeeper to join a distinguished private residence nestled in the picturesque surrounds of Peterborough. This elegant and expansive property offers an exceptional standard of living, combining refined interiors, beautifully maintained grounds, a swimming pool, and a fully private, self-contained staff annex comprising a bedroom, bathroom, and lounge area. The role promises a harmonious working environment within a discreet and respectful household.

The position is offered on a long-term, permanent basis and is particularly suited to a candidate who is self-motivated, experienced in private households, and possesses a genuine love for dogs. The primary responsibility will be the attentive care of two cherished French Bulldogs, ensuring their needs are consistently met with warmth and reliability. The dogs belong to a senior executive and are considered an integral part of the family, thus requiring a housekeeper with both confidence and affection in handling small breeds.

General housekeeping support is also required, with duties including laundry, care of fine clothing and linens, dry cleaning coordination, dishwashing, light household organisation, shopping, and errand-running. It is important to note that the property benefits from the regular attendance of two professional cleaners who visit twice weekly to carry out full cleaning, allowing the housekeeper to focus on maintenance between visits and household management. The principals own two additional residences and do not reside in the Peterborough property full time, though the house must remain in excellent order at all times. They travel frequently and lead busy professional lives, and therefore value staff who are discreet, proactive, and capable of working independently.

The successful candidate may occasionally be asked to prepare simple, healthy evening meals—typically traditional British cuisine—for the principals. A flexible approach to working hours is essential, with pet care support required on both Saturdays and Sundays, though not for the full day.

Applicants must be fluent in English.

A current DBS is essential. A driving licence is a bonus, and a car may be provided for work-related duties if the candidate drives. The role may be offered either on an employed or self-employed basis, depending on the candidate's preference.

This is a truly unique opportunity for an experienced housekeeper seeking long-term stability in a beautifully appointed private household. The position offers generous accommodation, a respectful and appreciative environment, and the opportunity to become an integral part of a well-run and gracious home.
