

**PERMANENT FULL-TIME LIVE-OUT NANNY JOB | MONACO, FRENCH RIVIERA**  
**SALARY: €4,000 PER MONTH**  
**PHS JOB 3141**

Perfect Household Staff presents a distinguished opportunity for a highly experienced, compassionate, and dedicated Nanny to join a discerning private family in the prestigious heart of Monaco. This role is ideal for someone with a strong background in childcare who seeks long-term stability within a respectful, providing and nurturing environment.

This is a permanent, live-out position offering full-time engagement from Monday to Friday, with primary responsibilities centered around the full care, development, and well-being of two children — a 4-year-old boy and a 1-year-old girl. The family's home is a three-bedroom apartment, designed for comfort with a single floor and three bathrooms. Light housekeeping related to the children's areas, complemented by a weekly cleaning service from a third party, is welcomed.

The family seeks a caregiver who is present during the shift, calm, patient, and possesses extensive hands-on experience in private childcare. A non-smoker, the ideal candidate will demonstrate discretion, flexibility, and emotional intelligence. Essential qualifications include a proven track record in similar roles, current First Aid certification, and the ability to implement routines and allergy management protocols.
