

**PERMANENT PART-TIME LIVE-OUT HOUSEKEEPER JOB | ST HELIER, JERSEY
CHANNEL ISLANDS
SALARY: £20–£27 GROSS PER HOUR (SELF-EMPLOYED)
PHS JOB 3248**

A warm and respectful family based in the Channel Islands is seeking a professional Part-Time Housekeeper to support elderly parents living in a well-maintained bungalow. The role has arisen due to changing mobility needs and the desire for consistent, reliable household support rather than ad-hoc cleaning. The household is calm, private, and values discretion, trust, and continuity.

Working as a Part-Time Housekeeper in this household will involve providing hands-on domestic support while respecting the principals' independence and dignity. This is not a cleaning-only role but a true housekeeping position, focused on maintaining day-to-day order, assisting with household routines, and offering light practical help to make daily life easier. The successful candidate will work afternoons, allowing the principals to take mornings at their own pace.

Due to the island location and the need to assist with errands and short local journeys, a valid driving licence and own vehicle are essential.

Perfect Household Staff has been assisting professional Housekeepers in securing the right private household roles for over 15 years. As one of the UK's leading boutique domestic recruitment agencies, we pride ourselves on working with fully vetted professionals and matching them with families where long-term relationships can flourish. Registering with our agency and applying for roles is completely free for candidates.
