LIVE OUT HOUSEKEEPER JOB | ST JOHN'S WOOD | LONDON
Salary: £20-25 gross per hour**

PHS Job 3284

Perfect Household Staff is looking for an experienced and reliable housekeeper for a private apartment in St John's Wood, London. This is a part-time position for 8 hours per week, ideally spread over two days per week with 4 hours each day. The schedule is flexible and can be discussed further with suitable candidates. Self-employed applicants are welcome, and the preferred start date is as soon as possible.

The role involves all classical housekeeping duties within a well-maintained three-bedroom, three-bathroom apartment, including thorough cleaning, laundry care, managing dry cleaning, handling deliveries, and general household upkeep. The household includes two adults and two children (13 and 15), with one parent normally based in another city and therefore not regularly present at the apartment

There are two well-trained and well-behaved dogs in the household—a Bernese Mountain Dog and a Cavapoo. Pet-related duties are minimal and limited mainly to hoovering carpets and maintaining cleanliness after the dogs, as all other pet care is managed by the principals.

The family is informal and easy-going but values a housekeeper who is organised, proactive, and able to manage tasks independently. A good command of English is essential, along with the ability to take responsibility for the smooth day-to-day upkeep of the apartment. This role would suit a professional housekeeper looking for a flexible, low-hour position in a pleasant and well-run household.
