

PERMANENT FULL-TIME LIVE-OUT/LIVE-IN RUSSIAN SPEAKING NANNY JOB LIVE-OUT/LIVE-IN RUSSIAN SPEAKING NANNY JOB | DUBAI, UAE

Salary: AED 10,000 - 12,000 gross per month

PHS Job 3366

Perfect Household Staff is delighted to present an excellent opportunity for a caring, flexible, and emotionally intelligent Nanny to join a young working family based in Dubai. The household comprises two adult principals and their 3-year-old child, and is run in a warm yet structured manner with a strong emphasis on support, loyalty, and long-term commitment. The family is seeking a Russian-speaking Nanny who will provide attentive care to their child while also offering valuable support to the mother. The role would suit a professional who is nurturing, adaptable, and able to build a trusting relationship within the household. The family also has cats and a small dog, and occasional assistance with pet care is required.

This is a permanent, full-time position offered on either a live-in or live-out basis, depending on the candidate's preference. For live-in candidates, comfortable accommodation is provided in the form of a private bedroom within a principal's property. Working as a Nanny in this household involves supporting the daily routine of a young child, including nursery runs, playtime, and structured care throughout the day. A driving licence is highly desirable, as the role includes transporting the child to and from nursery. The position also involves travelling with the family, including extended summer stays in Europe, providing consistent childcare support while the mother continues her professional commitments. Flexibility is essential, as occasional evening babysitting will be required.

Working as a Nanny in this household involves providing attentive, development-focused care while supporting the overall daily routine of the family. Responsibilities include accompanying the child to and from nursery, engaging in age-appropriate activities, and ensuring a safe and nurturing environment. The role also involves supporting the child during travel periods and assisting the mother as needed. This is a rewarding position for a professional who values longevity, enjoys travelling, and is confident working in a dynamic family setting.
