

PERMANENT FULL-TIME LIVE-IN DOMESTIC COUPLE JOB LIVE-IN DOMESTIC COUPLE JOB | WINDLESHAM, SURREY, UK

Salary: £80,000 – £100,000 Gross per Year

PHS Job 3398

Perfect Household Staff is delighted to present an excellent opportunity for a professional, experienced and genuinely warm Live-In Domestic Couple to join a long-established private household in Windlesham, Surrey. This is a permanent, full-time position within a peaceful countryside residence used as a secondary home by an elderly Principal. The role is ideally suited to a friendly, patient and easy-going couple who are seeking long-term stability within a respectful and well-structured private environment.

The residence is an elegant and well-maintained country property, primarily used on a seasonal basis throughout the year. The Principal typically resides at the home for approximately two to three months annually, with the most intensive periods of occupancy occurring during the summer months (around two months) and winter (approximately one month). During these stays, the Domestic Couple will be expected to provide a fully attentive, hands-on household service, ensuring the smooth day-to-day running of the home, impeccable presentation and consistent comfort for the Principal and any accompanying family members.

Outside of these residence periods, the role becomes more maintenance-focused, with an emphasis on keeping the property in pristine condition, preparing it for future visits, and ensuring all household systems and interiors remain fully operational and well cared for.

The household is supported by a permanent gardener, and the Domestic Couple will be expected to collaborate effectively within this established team structure. The environment is informal yet values consistency, discretion and reliability. A long-term commitment is essential, as the previous Domestic Couple remained in post for over 20 years, reflecting the stability and mutual trust associated with this residence.

We are one of the top boutique domestic couple agencies in the UK. If you are looking to be employed as a domestic couple, you have come to the right place.
