**Salary: £22 gross per hour**

#### PHS Job 3402

Perfect Household Staff is delighted to present a charming opportunity for a loyal and reliable Housekeeper to support a well-established family residing in a beautiful XVIII century property in Rousham, near Bicester, Oxfordshire. This picturesque rural location is known for its historic estates, tranquil countryside, and traditional English charm. The family has grown-up children and travels frequently, meaning the property is often unoccupied. This role is ideally suited to a trustworthy and hardworking housekeeper who takes pride in maintaining high standards in a quiet and refined environment, with particular care given to antique furnishings.

Working as a Housekeeper in a private countryside residence requires a high level of attention to detail, discretion, and independence. In this role, the successful candidate will be responsible for maintaining the cleanliness and presentation of the home, despite many rooms being used infrequently. Special care must be taken when handling antique furniture and preserving the condition of the property. There are no laundry or cooking duties required, allowing the housekeeper to focus entirely on cleaning and upkeep. There is also an opportunity for additional hours for candidates who are interested in assisting with light outdoor duties, such as supporting the upkeep of the garden or horses.
